## PROFILE

With 7 years successful years in healthcare and a newly acquired certification as a Full-Stack Web Developer, I'm ready to take on new challenges in the technology space.

## EXPERIENCE

FRONT-END DEVELOPER / UX DESIGNER

*CFIA / Jun 2018 - present*

- Website and mobile app configurator for a family-run small business, providing MN State-approved firearms education and training

*Achievements:*

- Significantly increased sales with technology implementations, brand-establishment, and UX / UI

MEDICAL LABORATORY SCIENTIST,  
GENERAL SUPERVISOR

*In House Senior Services / Aug 2021 - present*

- Molecular PCR Laboratory serving Midwest Podiatry Centers, the leader in podiatry care in the Twin Cities
- Perform specimen testing, data analysis, reporting, and all tasks required for maintaining a high-functioning and compliant laboratory

*Achievements:*

- Developed a system for tracking, monitoring, and communicating about specimens collected at all 8 clinic locations and offsite senior living facilities

MEDICAL LABORATORY SCIENTIST

*CCRM Minneapolis / Jun 2018 - Jul 2021*

- Performed high complexity Endocrinology and Andrology testing in a CAP-accredited laboratory, serving patients undergoing fertility treatment and/or preservation.

MEDICAL LABORATORY SCIENTIST

*Allina Health / Oct 2015 - Apr 2018*

In clinical and hospital lab settings:

- Performed specimen collection, testing, and processing in a fast-paced environment
- Completed quality control, instrument maintenance, troubleshooting, and proficiency testing
